Dear Sir:

The undersigned, in his capacity as attorney for the Applicant, hereby petition to revive the U.S. National Phase Application corresponding to the above-referenced International Application. This application became abandoned unintentionally. The U.S. National Phase

application unintentionally became abandoned on August 24, 2002 due to our failure to enter the National Stage within the time period set forth in 37 CFR §1.495.

The entire delay in filing the U.S. National Phase application, from the due date for filing it as set forth in 37 CFR §1.495 until the filing of this petition, was unintentional.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

If any additional fees are due in connection with the filing of this Petition, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0388 (Order No. FINDP001).

Respectfully submitted,
